

WHAT TO WEAR GUIDE FOR HEIRLOOM SESSIONS

Creating timeless heirloom portraits starts with intentional styling. The right clothing not only enhances the elegance of your images but also ensures they remain classic for generations to come. Here's everything you need to know to choose the perfect outfits for your heirloom session.

THE SIGNATURE HEIRLOOM EXPERIENCE

At Jennifer Webster Photography, each heirloom portrait session is designed to capture the beauty of family connection and timeless elegance. From the initial consultation to the final reveal, every step is curated to create fine art that tells your family's unique story.

STYLE AND WARDROBE GUIDE

The wardrobe you choose plays a vital role in the aesthetic of your heirloom portraits. Soft, neutral colors and classic styles preserve the timelessness of the images and ensure they become cherished heirlooms for generations.

Light and Airy Colors: Soft neutrals like cream, blush, pastel blue, and muted grays photograph beautifully.

Higher Collars and Classic Cuts: High collars, lace details, and vintage-inspired cuts create a refined and elegant look.

Delicate Accessories: Bows, bow ties, and gentle curls add a touch of tradition and grace.

SHOPPING AND STYLING TIPS

WHERE TO SHOP FOR HEIRLOOM CLOTHING:

Here are some wonderful places to find heirloom-quality clothing both online and locally in Huntsville, AL.

BOUTIQUE SHOPPES

AMAZON - HOPE & HENRY:

Perfect for finding classic pieces and accessories.

THE PURPLE PEANUT: A local favorite for timeless children's wear.

ANA BANANA: Beautiful boutique options that blend elegance with comfort.

THE LITTLE COTTON SHOPPE:

High-quality cotton garments perfect for heirloom portraits.

ETSY: A treasure trove of handmade and vintage heirloom pieces, perfect for unique and classic portrait looks.

HAIR AND ACCESSORY CONSIDERATIONS:

For traditional heirloom portraits, hair that falls below the collarbone is styled behind the shoulders to maintain a clean, classic silhouette. Simple hair bows or classic headbands are perfect accessories to complete the look.

FINAL TIPS FOR A FLAWLESS SESSION

- Steam or Iron Outfits: Wrinkles are noticeable in fine art photography.
- Avoid Logos and Graphics: These distract from the timeless quality of the image.
- Bring Extras: Especially for children, accidents happen, and having a backup ensures no stress.
